PROFILE

I am a digital marketing learner with good knowledge of SEO, Google Ads, and Meta Ads. I have handled social media accounts and know how to create posts, grow followers, and engage with the audience. I enjoy working online and want to build my career in digital marketing by learning new skills and getting practical experience.

CAREER OBJECTIVE

I am looking for an opportunity to begin my career in digital marketing where I can use my knowledge of SEO, Google Ads, Meta Ads, and social media management. I want to learn from real work experience, improve my skills, and grow in this field. My goal is to become a skilled digital marketer and help businesses grow online.

WORK EXPERIENCE

- ☐ **Social Media Management**
NEXWAVE
A motivated digital marketing learner with hands-on experience in managing social media accounts like **@Ladli Fashion** (women's fashion & jewelry), **@Kalavastram** (pooja essentials), and **@SDSupermarket** (groceries & snacks).
- ☐ **SEO**
Search Engine optimization
I have a good understanding of both **On-Page and Off-Page SEO** techniques. My skills include keyword research, writing SEO-friendly content, optimizing meta titles and descriptions, adding image alt text, using internal linking, and improving page speed and mobile-friendliness. I also know about Off-Page SEO methods like building backlinks, guest posting, directory submissions, social sharing, and brand mentions.
- ☐ **Google Ads & Meta Ads**
Basic knowledge of running paid ad campaigns on Google and Meta (Facebook & Instagram). Understand targeting, audience setup, ad creation, and analyzing ad performance to increase reach and engagement.
